

Electronic Funds Management Policy

1. Background

2. Purpose

The purpose of this policy is to set out how our school will manage electronic funds in accordance with applicable Department of Education and Training policy and law.

3. Guiding Principles

This policy applies to:

- all staff/responsible persons involved in management of funds transacted electronically
- all transactions carried out by Melton Secondary College via the methods set out in this policy Melton Secondary College has developed this policy consistently with the [Schools Electronic Funds Management Guidelines](#) and [Section 4 Internal Controls of the Finance Manual for Victorian Government schools](#).

4. Implementation

- Melton Secondary College School Council requires that all actions related to internet banking are consistent with The Department's [Schools Electronic Funds Management Guidelines](#).
- Melton Secondary College School Council approves the use of Commonwealth Bank CommBiz as the approved software for all internet banking activities as individual authority and security tokens are required.
- All payments through internet banking software must be consistent with Department requirements and must be authorised by the Principal and one other member of school council nominated by the school council.
- Melton Secondary College School Council will determine how refunds will be processed and any refunds processed through the EFTPOS terminal [if permitted by the school] will be recorded in a refund register.
- Melton Secondary College will undertake maintenance and upgrading of hardware and software as required.
- Melton Secondary College will ensure proper retention/disposal of all transaction records relating to accounts such as purchase orders, tax invoices/statements, vouchers, payroll listings and relevant CASES21 reports.

EFTPOS

- The Principal of Melton Secondary College, will ensure all staff operating the merchant facility are aware of security requirements. At our school, this includes:
 - All transactions must be properly authorised
 - The Principal must sign all paperwork and a copy of the internet transaction and supporting documentation must be attached
 - The original invoice must be attached
 - Internet Banking may be used for payment of invoices and local payroll including 'Direct Debit' and staff reimbursements transactions
 - Setting up of initial transaction details and any changes will be the responsibility of the Business Manager or Finance Administrator
 - All documentation to be stored securely
 - Authorisation and access to be controlled (Business Manager & Finance Administrator).
- No "Cash Out" will be permitted on any school EFTPOS facility.
- EFTPOS transactions via telephone may be accepted.

Direct Debit

- All direct debit agreements must be approved and signed by school council prior to implementation.
- The school council requires all suppliers to provide tax invoices/statements to the school prior to direct debiting any funds from the school's account
- A direct debit facility allows an external source Vic Super, Media/Quick Super, Equigroup Pty Ltd and Dell Financial Services Pty Ltd to a pre-arranged amount of funds from the school's official account on a pre-arranged date. Any such payments will be authorised as appropriate and required.
- Melton Secondary College will ensure adequate funds are available in the Official Account for the "sweep" of funds to the supplier.

Direct Deposit

- Melton Secondary College utilises a "two user authorisation of payments" banking package, as it contains a greater degree of security and access controls.
- Creditor details will be kept up to date and the treatment of GST for creditors will be monitored.
- Payment transactions will be uploaded as a batch through the CASES21 system.
- All payments made through the internet banking system must be authorised by two authorised officers.
- The various internal controls that need to be considered include:
 - the identification of staff with administrative/authorisation responsibilities (cannot be the Business Manager)
 - the identification of payment authorisers (the Principal and other designated officer)
 - the allocation and security of personal identification number (PIN) information or software authorisation tokens
 - the setting up of payee details in CASES21
 - the authorisation of transfer of funds from the official account to payee accounts
 - alternative procedures for processing, using the direct deposit facility, for periods of Business Manager's and Principal leave of absence.

BPay

Melton Secondary College school council will approve in writing the school council's decision for the utilisation of BPAY. Payments made by BPay are subject to the same requirements as for all transactions relating to accounts such as:

- purchase orders
- tax invoices/statements
- payment vouchers
- signed screen prints and payee details
- relevant CASES21 reports etc.

This includes a requirement for the principal to sign and date BPay transaction receipts attached to authorised payment vouchers.

5. Evaluation And Review

This policy will be reviewed in annually in March or as necessitated by changes/developments which may occur through requests by School Council, parents, students or staff within the timeframe stated above.
