

1st November 2023

Dear Parents and Guardians,

As we embark on another exciting academic year, we want to extend a warm welcome to all our students, both new and returning, at Melton Secondary College.

At MSC, we believe that education is a partnership between the school, parents/carers, and students. Together, we strive to create an environment that fosters academic excellence, personal growth, and the development of responsible and compassionate young individuals. We would like to advise you of our voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, we want to assure you that contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We value your contributions in supporting the school's programs and resources.

Parent contribution funds are allocated to programs and resources, such as; additional science materials and practical classes, new sporting equipment for our Health and Physical Education classes and purchasing ICT items for students to access throughout the year to support their learning.

As we continue to strengthen our educational programs and extracurricular offerings, we appreciate the generous support of our parents and community members.

We are excited about the upcoming school year and look forward to working closely with you to provide the best possible education for your child. Together, we can help them achieve their goals and aspirations.

For further information on the Department's Parent Payments Policy please see a one-page overview attached. If you have any questions or concerns, please do not hesitate to reach out to our administrative office. We are here to support you and your child in every way possible.

Thank you for entrusting us with the education and well-being of your student. Let's make this academic year a memorable and successful one.

Yours sincerely,

Kathryn Sobey
