

1st November 2024

Dear Parents and Carers,

As we begin another exciting academic year at Melton Secondary College, we would like to warmly welcome all of our students, both new and returning.

At MSC, we see education as a partnership between the school, parents/carers, and students. Our goal is to work together to create an environment that promotes academic achievement, personal growth, and the development of responsible, compassionate young individuals. With that in mind, we would like to inform you about our voluntary financial contributions for 2025.

While schools provide free instruction to deliver the standard Victorian curriculum, we want to assure you that these contributions are entirely voluntary. However, the continued support from our families plays a crucial role in enabling us to offer the highest quality education and services for our students. Your contributions help support the various programs and resources that enrich our students' learning experience.

Your support has played a significant role in enhancing the educational experience for our students. In particular, your contributions have assisted in funding the school's production of the musical *Chicago – Teen Edition*, which provided an incredible opportunity for our students to showcase their talents in the performing arts.

Additionally, thanks to your contributions, we were able to upgrade Courtyard 1, creating an improved outdoor space for students to relax and collaborate. We have also expanded our library's collection with new books that will inspire curiosity and a love of learning in our students.

As we continue to grow and improve our educational programs and extracurricular activities, we deeply appreciate the generous support of our parents and community. We are excited about the year ahead and look forward to working closely with you to provide the best possible learning experience for your child. Together, we can help them reach their goals and aspirations.

For more information on the Department's Parent Payments Policy, please refer to the attached one-page overview. If you have any questions or concerns, please feel free to contact our administrative office. We are here to support both you and your child in every way possible.

Thank you for trusting us with your child's education and well-being. Let's work together to make this academic year a memorable and successful one.

Warm regards,

Kathryn Sobey
Principal
