5th November 2025

Dear Parents and Carers,

Melton Secondary College is looking forward to another successful year of learning, connection and community. As we begin planning for the 2026 academic year, we would like to advise you of Melton Secondary College's voluntary contributions for 2026. Voluntary contributions play a vital role in supporting and enriching the educational experiences we offer at MSC.

Voluntary contributions from families allow us to go above and beyond the basics, ensuring students have access to a broader range of resources, programs, and learning opportunities.

In 2025, your voluntary contributions directly supported areas such as:

- **Library resources** – including the purchase of new fiction and non-fiction books, digital subscriptions, and study materials to encourage independent reading and research
- **The Enrichment Program** – offering students a wide variety of experiences outside the standard curriculum, such as leadership workshops, craft clubs, sporting sessions and many other fun and inviting extracurricular clubs
- **School Musical –** 2025 saw the running of The Wizard of Oz Musical in Term 3. The contributions help fund costumes, set design, lighting, and production costs, allowing students to participate in and enjoy a professional-quality performance experience
- **Specialist classroom resources** – including consumables and equipment for Science, Technology, Art, and Music
- **Student wellbeing initiatives** – supporting programs that promote mental health, inclusion, and social development

The College appreciates the generous support of our community and are committed to growing our programs, facilities and supports for students. Looking ahead at 2026, we would like to see an upgrade to Courtyard 2, offering students an inviting space to enjoy breaks, along with expanding our Enrichment program and introducing new community celebrations, such as Book Week and extending our Diversity Week programs.

We understand that financial circumstances differ between families, and we want to assure you that contributions are entirely voluntary. For more information on the Department's Parent Payments Policy, please refer to the attached one-page overview. If you have any questions or concerns, please feel free to contact our administrative office. We are here to support both you and your child in every way possible.

Thank you for trusting us with your child's education and wellbeing. Let's work together to make this academic year a memorable and successful one.

Warm regards,

Melanie Russell
